# HOW DOES IT WORK?

Bank feeds pull over night so that they are ready for reconciliation first thing every morning. Allowing for daily up to date records. Combining this with our Director or Leaseholder portal gives you full transparency.

## TO SET UP BANK FEEDS ALL YOU NEED TO DO IS:

1

Log in to Resident.

2

Open the bank feeds page and log into your bank.

3

Link your bank accounts to your Resident accounts in Resident with a drop-down box.

4

Enjoy daily imported transactions!
